HIGH LEVEL MEETING BETWEEN SBV AND BWG

2 November 2026 | SBV Headquarters, Hanoi

The State Bank of Vietnam (SBV) and the VBF Banking Working Group (BWG) held their annual high-level meeting, co-chaired by Mr. Nguyen Ngoc Canh, Deputy Governor of the SBV, and Mr. Victor Ngo, Head of the BWG

A key focus was the progress made in addressing practical issues raised by the banking sector. Mr. Victor Ngo noted that, during 2025 and the first half of 2026, the SBV had addressed 21 of the 39 issues raised by the BWG, with feedback and proposed directions also provided on the remaining matters. This reflects the value of sustained dialogue in translating business insights into practical regulatory improvements.

As an important part of the VBF's ongoing policy engagement, the meeting also reinforced the role of the BWG in connecting the international banking community with the SBV and other VBF Working Groups, contributing to the policy agenda for the upcoming Annual Vietnam Business Forum 2026.
